

**NAME**

*comitup-web* – Wifi configuration web server for the Comitup service

**SYNOPSIS**

*comitup-web*

**DESCRIPTION**

**comitup-web** is a web service that provides access to the *comitup*(8) Wifi bootstrap service.

The web interface also supports a “Locate” feature, that blinks the green led on the front of a Raspberry Pi.

**OPTIONS**

See *comitup-conf*(5).

**COPYRIGHT**

Comitup is Copyright (C) 2016–2017 David Steele <steele@debian.org>
