# Chapter 1: Getting started with architecture

## Remarks

This section provides an overview of what architecture is, and why a developer might want to use it.

It should also mention any large subjects within architecture, and link out to the related topics. Since the Documentation for architecture is new, you may need to create initial versions of those related topics.

## Examples

### Installation or Setup

Detailed instructions on getting architecture set up or installed.

Read [Getting started with architecture online](https://riptutorial.com/architecture/topic/7435/getting-started-with-architecture): <https://riptutorial.com/architecture/topic/7435/getting-started-with-architecture>
