# Chapter 1: Getting started with genymotion

## Remarks

This section provides an overview of what genymotion is, and why a developer might want to use it.

It should also mention any large subjects within genymotion, and link out to the related topics. Since the Documentation for genymotion is new, you may need to create initial versions of those related topics.

## Examples

### Installation or Setup

Detailed instructions on getting genymotion set up or installed.

Read [Getting started with genymotion online](#):
