# Chapter 1: Getting started with google-play

## Remarks

This section provides an overview of what google-play is, and why a developer might want to use it.

It should also mention any large subjects within google-play, and link out to the related topics. Since the Documentation for google-play is new, you may need to create initial versions of those related topics.

## Examples

### Installation or Setup

Detailed instructions on getting google-play set up or installed.
