# Chapter 1: Getting started with jms

## Remarks

This section provides an overview of what jms is, and why a developer might want to use it.

It should also mention any large subjects within jms, and link out to the related topics. Since the Documentation for jms is new, you may need to create initial versions of those related topics.

## Examples

### Installation or Setup

Detailed instructions on getting jms set up or installed.

Read **Getting started with jms** online: <https://riptutorial.com/jms/topic/10829/getting-started-with-jms>
