# Chapter 1: Getting started with qlikview

## Remarks

This section provides an overview of what qlikview is, and why a developer might want to use it.

It should also mention any large subjects within qlikview, and link out to the related topics. Since the Documentation for qlikview is new, you may need to create initial versions of those related topics.

## Examples

### Installation or Setup

Detailed instructions on getting qlikview set up or installed.
