# Chapter 1: Getting started with vector

## Remarks

This section provides an overview of what vector is, and why a developer might want to use it.

It should also mention any large subjects within vector, and link out to the related topics. Since the Documentation for vector is new, you may need to create initial versions of those related topics.

## Examples

### Installation or Setup

Detailed instructions on getting vector set up or installed.

Read [Getting started with vector](https://riptutorial.com/vector/topic/10424/getting-started-with-vector) online: <https://riptutorial.com/vector/topic/10424/getting-started-with-vector>
