Toronto, Canada

WORK EXPERIENCE

06/01/2021 – CURRENT- Toronto, Canada

Senior WordPress Engineer & Team Lead

Trew Knowledge

Here at Trew Knowledge, I had a chance to work with some of the top Canadian and US brands. I've worked with Decoupled WordPress and some serverless microservices.

05/01/2020 – 05/31/2021- Melbourne, Australia

WordPress Engineer

Incsub LLC

I've primarily worked on Shipper (Migration Plugin) and Defender (Security) Plugin. I've added new features and fixed existing bugs.

09/01/2017 – 05/31/2020- Dhaka, Bangladesh

Software Engineer

weDevs Limited

In weDevs I worked on the most popular WordPress multivendor plugin Dokan. I've added new features and fixed existing bugs.

EDUCATION AND TRAINING

09/01/2012 – 09/01/2017 - Dhaka, Bangladesh

Bachelors of Business Administration
Daffodil International University

LANGUAGE SKILLS

English: Fluent
Bengali: Native

COMMUNICATION AND INTERPERSONAL SKILLS

I have earned good communication skills by working with a lot of clients and project managers from different countries even with weak English speakers.
